

## South Texas Is a Great and Prosperous Land

But do you know that in a climate such as we have here, almost every one is compelled to take some kind of medicine to ward off malaria and fevers at times.

Do you also know that thousands of people in South Texas have stomach, Liver, Arterial or Bladder trouble which you above to be a fact.

If you are troubled with any of the above complaints or with Rheumatism, Indigestion, Nervousness, Loss of Appetite etc., we believe that it is your duty to yourself to try the famous Texan CARLEBARD MINERAL WATER. This water is no longer an experiment. It is a sure cure for the above troubles. It is known and used by thousands of the best people in the land. Ask your neighbor about it. Ask almost any of the bankers or business men of Houston and elsewhere about it.

There are some good patent medicines on the market, but there are also a great many that contain dangerous drugs and do more harm than good.

We can assure you that Mineral Water will not harm you, but in turn will benefit you. Why take a great risk when you can avoid it? Texas Carlebard water is put up in one-half gallon bottles, and is shipped twelve bottles to the case.

Bottle per case, \$4.00. We will refund you \$2.00 for the empty case and bottle when returned to us. This makes the water cost only \$2.00 per bottle. Order a case of this wonderful water today and join the vast army of people who are on the road to health.

Tours for health.
